The Honorable Ken Cooley Chair, Assembly Committee on Rules California State Assembly State Capitol Sacramento, CA 95814

## Re: SCR 16 (Leyva) - Teen Dating Violence Awareness and Prevention Month - Sponsor

Dear Assemblymember Cooley,

On behalf of the California Partnership to End Domestic Violence (the Partnership), I write today in support of SCR 16 (Leyva). We are pleased to sponsor this resolution to declare February Teen Dating Violence Awareness and Prevention Month and bring awareness to this important issue.

The California Partnership to End Domestic Violence (the Partnership) is California's recognized domestic violence coalition, representing over 1,000 advocates, organizations and allied individuals across the state. Working at the local, state and national levels for nearly 40 years, the Partnership believes that by sharing resources and expertise, advocates and policymakers can end domestic violence. Every day we inspire, inform and connect all those concerned with this issue, because together we're stronger.

Adolescent dating abuse can have devastating impacts on our youth and communities. According to the California Student Survey (CSS), at least one incident of physical dating violence was reported by 5.2% of 9<sup>th</sup> graders and 8.2% of 11<sup>th</sup> graders.<sup>i</sup> Among students who had a boy/girlfriend, the rates of dating violence were 8.8% in 9<sup>th</sup> grade and 12.8% in 11<sup>th</sup> grade. Victims of dating violence or sexual coercion are 3 times more likely to score more D's and F's in school than A's.<sup>ii</sup> Victims of teen dating violence and sexual assault are more likely to: suffer from psychiatric disorders and drug and alcohol abuse in adulthood, drive after drinking, engage in sexually risky behaviors, become pregnant, and attempt suicide.<sup>iii</sup> Adolescent dating violence is also highly predictive of dating violence victimization and perpetration in young adulthood.<sup>iv</sup>

Teen Dating Violence Awareness and Prevention Month is an important opportunity to bring attention to this issue, highlight the need for prevention, and engage community members in this important work. By recognizing this month, the legislature sends a message of its commitment to raising awareness and supporting prevention efforts. For these reasons, the Partnership is pleased to sponsor SCR 16.

Sincerely,

Karthy More
