Assembly Concurrent Resolution No. 152—Relative to California
Holocaust Memorial Day.

LEGISLATIVE COUNSEL’S DIGEST

ACR 152, as introduced, Bloom. California Holocaust Memorial
Day.

This measure would proclaim May 16, 2016, as California Holocaust
Memorial Day and would urge all Californians to observe this day of
remembrance for the victims of the Holocaust in an appropriate manner.

Fiscal committee: no.

1 WHEREAS, The Holocaust was a tragedy of proportions the
2 world had never before witnessed; and

3 WHEREAS, More than 70 years have passed since the tragic
4 events we now refer to as the Holocaust transpired, in which the
5 dictatorship of Nazi Germany murdered six million Jews as part
6 of a systematic program of genocide known as “The Final Solution
7 of the Jewish Question”; and

8 WHEREAS, Jews were the primary victims, but they were not
9 alone. Five million other people were murdered in Nazi
10 concentration camps as part of a carefully orchestrated,

1 state-sponsored program of cultural, social, and political
2 annihilation under the Nazi tyranny; and

3 WHEREAS, We must recognize the heroism of those who
4 provided assistance to the victims of the Nazi regime, including
5 the many soldiers who liberated concentration camps and provided
6 comfort to those suffering; and

7 WHEREAS, We must teach our children, and future generations,
8 that the individual and communal acts of heroism during the
9 Holocaust serve as a powerful example of how our nation and its
10 citizens can, and must, respond to acts of hatred and inhumanity;
11 and

12 WHEREAS, We must always remind ourselves of the horrible
13 events of the Holocaust and remain vigilant against hatred,
14 persecution, and tyranny lest these atrocities be repeated; and

15 WHEREAS, We, the people of California, should actively
16 rededicate ourselves to the principles of human rights, individual
17 freedom, and equal protection under the laws of a just and
18 democratic society; and

19 WHEREAS, Each person in California should set aside moments
20 of his or her time every year to give remembrance to those who
21 lost their lives in the Holocaust; and

22 WHEREAS, The United States Holocaust Memorial Council
23 recognizes the Days of Remembrance of the Victims of the
24 Holocaust, including the Day of Remembrance, known as Yom
25 Hashoah; and

26 WHEREAS, According to Elie Wiesel, a Holocaust survivor
27 and nationally recognized scholar, “a memorial unresponsive to
28 the future would violate the memory of the past”; now, therefore,
29 be it

30 *Resolved by the Assembly of the State of California, the Senate*

AMENDED IN ASSEMBLY JANUARY 5, 2016

SENATE BILL

No. 746

Introduced by Senator Wolk
(Principal coauthor: Assembly Member Dodd)

February 27, 2015

~~An act to amend Sections 110480 and 113789 of the Health and Safety Code, relating to food safety. An act to amend Sections 79831 and 79835 of the Food and Agricultural Code, relating to olive oil.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 746, as amended, Wolk. ~~Food safety: grist mills. Olive Oil Commission of California: chair of advisory committee.~~

Existing law provides for the establishment of an advisory committee to advise the board of directors of the Olive Oil Commission of California, as specified, and provides that the chair of the advisory committee shall be an ex officio member of the commission board of directors.

This bill would instead require the chair of the advisory committee to be a member, rather than an ex officio member, of the commission board of directors. The bill would also require the chair of the advisory committee to designate an alternate advisory committee member to serve in the chair's absence.

~~Existing law prohibits, with some exceptions, the manufacture, packing, or holding of processed food without a valid registration from the State Department of Public Health. A violation of these provisions is a crime.~~

~~This bill would, beginning January 1, 2018, exempt from the registration requirements the milling, packaging, and selling of grain produced and sold at a water-driven grist mill on the National Register~~

98

of Historic Places, provided best management practices suitable for a historic water-driven grist mill are followed for the processing and handling of the product, the flour is identified as being produced in a historic mill using traditional methods, and the product meets applicable federal food adulteration purity standards.

Existing law, the California Retail Food Code, provides for the regulation of health and sanitation standards for retail food facilities, as defined, by the department and is primarily enforced by local health agencies. A violation of any provision of the code is a misdemeanor.

This bill would, beginning January 1, 2018, exclude from the definition of a retail food facility a water-driven grist mill that is on the National Register of Historic Places and that has onsite sales of grain that is milled at the facility. The bill would make related findings, declarations, and statements of legislative intent.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 79831 of the Food and Agricultural Code

21 ~~prior to~~ *before* the action.

10 commission board of directors, each member of the commission
11 board of directors shall have an alternate member elected in the
12 same manner as the member. An alternate member, in the absence
13 of the member for whom he or she is an alternate, shall serve in
14 place of the member. An alternate member may also serve in place
15 of any other absent member of the same classification, producer
16 or handler, if the member's alternate is also absent. However, an
17 alternate member may not serve in place of more than one absent
18 member at a meeting. An alternate member serving in place of a
19 member shall have and be able to exercise all rights, privileges,
20 and powers of the member when serving. In the event of death,
21 removal, resignation, or the disqualification of a member, the

31 ~~SECTION 1. (a) The Legislature finds and declares all of the~~
32 ~~following:~~

33 ~~(1) Recent legislation that established a moratorium on closure~~

40 ~~Park and Recreation Commission, and the Department of Parks~~

1 and Recreation to develop a more secure financial base for the
2 department through the increased use of pilot projects, the sale of
3 specialized or regional passes, and other internal reforms are
4 providing early signs of success that should be strengthened.

5 (3) A stable funding structure must be established for the state
6 parks, including a more entrepreneurial and robust
7 revenue-generation strategy with increased efficiency and
8 accountability, and a dedicated, reliable source of public funding
9 that will meet ongoing operating needs and continually reduce the
10 backlog of unmet maintenance needed to protect valuable park
11 assets.

12 (b) It is the intent of the Legislature in enacting this act to

14 Department of Public Health to consult with each other to develop
15 and implement additional, reasonable improvements designed to
16 increase public health security at the Bale Grist Mill State Historic

The Honorable Richard S. Gordon, Chair
Assembly Rules Committee
State Capitol, Room 3016
Sacramento, CA 95814

Dear Mr. Chair:

I respectfully request to add an urgency clause to SB 746 (Wolk) – Olive Oil Commission of California.

In order for small and artisan producers to fully participate in the policy, standards and regulation of California's olive oil industry through representation on the California Olive Oil Commission Board of Directors, this legislation needs to be enacted immediately rather than waiting until the first of 2017.

Thank you for your expeditious response to this request.

Sincerely,

**ADMINISTRATIVE ITEM:
MINIMUM WAGE POLICY FOR HOURLY EMPLOYEES**

Issue:

Should the Assembly adopt a Minimum Wage Policy for hourly employees?

Background:

Early this year, the Legislature passed Senate Bill 3 (Chapter 4, Statutes of 2016), which increased California's minimum wage to \$15 per hour by 2022, according to a schedule outlined in the legislation.

The proposed Assembly Minimum Wage Policy would achieve \$15 per hour for all hourly Assembly employees by December 1, 2020, which is a slightly more aggressive timeline than required by SB 3.

The timing of the proposed Assembly minimum wage adjustments for hourly employees is designed to align with the budget process for Assemblymembers. Rather than use the January 1st dates contained in SB 3, Assembly adjustments are proposed for December 1st of every even year to coincide with the start of the two-year legislative session. The initial adjustment to the minimum wage on July 1st of this year takes advantage of available funds.

Recommendation:

Approve an Assembly Minimum Wage Policy for hourly employees.

Assembly Minimum Wage Policy for Hourly Employees

1. General Statement

In order to comply with California law regarding minimum wage, enacted by Senate Bill 3 (Chapter 4, Statutes of 2016), it is the intention of the California State Assembly to ensure that all hourly Assembly employees will receive a minimum wage of \$15 per hour by the year 2020.

2. Implementation Plan

On July 1, 2016, the minimum wage for hourly Assembly employees will be raised to \$12.50 per hour.

On December 1, 2016, the minimum wage for hourly Assembly employees will be raised to \$13.50 per hour.

On December 1, 2018, the minimum wage for hourly Assembly employees will be raised to \$14.25 per hour.

On December 1, 2020, the minimum wage for hourly Assembly employees will be raised to \$15.00 per hour.
