Assembly Concurrent Resolution No. 105

Introduced by Assembly Member Nestande

February 21, 2014

Assembly Concurrent Resolution No. 105—Relative to the Legislature.

LEGISLATIVE COUNSEL'S DIGEST

ACR 105, as amended, Nestande. Legislature: Wounded Warrior Program.

Existing law authorizes certain internship and fellowship programs, as specified.

This measure would establish the Wounded Warrior Program within the Legislature, modeled after the honor the achievements of the United States House of Representatives' Wounded Warrior Program, which shall create fellowship opportunities for wounded or disabled veterans to work in the offices of Members of the Assembly, Senators, or committees of the Assembly or Senate. This measure would require the Wounded Warrior Program to be administered by the Joint Rules Committee and funded by the Operating Funds of the Assembly and Senate. Program and would encourage the Assembly Committee on Rules to study the potential of implementing similar programs in the Legislature.

ASSEMBLY COMMITTEE ON RULES

Richard S. Gordon, Chair

ACR 105 (Nestande) – As Amended: August 11, 2014

SUBJECT: Wounded Warrior Program.

<u>SUMMARY</u>: This measure would honor the achievements of the United States House of Representatives' Wounded Warrior Program and would encourage the Assembly Committee on Rules to study the potential of implementing similar programs in the Legislature. Specifically, <u>this resolution</u> makes the following legislative findings:

- 1) The federal Wounded Warrior Program was established in 2008 by the United States House of Representatives to create employment opportunities in the United States House of Representatives for wounded or disabled veterans returning from military service.
- 2) The federal program makes available fifty fellowship positions around the United States in the district offices of Members of the United States House of Representatives. The federal program is intended to serve as an example to businesses that wounded or disabled veterans are capable of performing great work and being productive employees.
- 3) The unemployment rate for disabled veterans is markedly higher than the general population. The Council of Economic Advisors published a study in November 2013 indicating that the unemployment rate for post-9/11 veterans stands at ten percent and increases to twelve and a half percent for those with major disabilities. The federal program has been a tremendous success during the six years that it has been in existence and has opened new career paths to many wounded and disabled veterans.
