ASSEMBLY COMMITTEE ON RULES
Blanca Pacheco, Chair
HR 101 (Ward) – As Introduced May 13, 2024

SUBJECT: Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ+) Pride Month.

SUMMARY: Proclaims June 2024 as Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ+) Pride Month, and urges all Californians to join in celebrating the culture, accomplishments, and contributions of lesbian, gay, bisexual, transgender, and queer people. Specifically, **this resolution** makes the following legislative findings:

- 1) Our great state and nation strives to promote the principles of equality and justice and the inalienable rights of all people to life, liberty, and the pursuit of happiness. To achieve a more just and fair society, we must teach our children to respect one another, to appreciate our differences, and to recognize the common good in all of us.
- 2) LGBTQ+ people come from all walks of life, regardless of race, ethnicity, color, religion, ancestry, national origin, economic status, physical or mental ability, medical condition, sex, or gender identity or expression.
- 3) LGBTQ+ people have made important and lasting contributions to our great state and nation in every field of endeavor, including, but not limited to, business, medicine, law, humanities, science, literature, politics, education, music, philanthropy, sports and athletics, arts, and culture, that enrich our national life.
- 4) While our great state and nation have progressed in our journey toward dignity, understanding, and mutual respect for all, we still have a long way to go in eradicating the prejudice and discrimination that lesbian, gay, bisexual, transgender, and queer people and their families encounter.
- 5) Each year, June marks the anniversary of the Stonewall Uprising that gave birth to the modern lesbian, gay, bisexual, transgender, and queer civil rights movement. The first New York City Pride Rally occurred one month after the Stonewall Uprising in June 1969, when 500 people gathered for a “Gay Power” demonstration in Washington Square Park, followed by a candlelight vigil in Sheridan Square.
- 6) On the 50th anniversary of the Stonewall Uprising, the NYC Pride organization simultaneously hosted “WorldPride” during its 2019 season. This was the first WorldPride celebration hosted on United States soil, and the second North American WorldPride in the event’s over 20 year history.
- 7) June 2019, marked the first annual proclamation of the month as LGBTQ+ Pride Month by the Governor of California.
- 8) In December 2022, President Joseph Biden signed the federal Respect for Marriage Act, repealing the federal DOMA and requiring the federal government, and all states and territories, to recognize the validity of same-sex and interracial civil marriages in the United States.

- 9) In January 2023, California became the first state legislature in the nation to reach 10 percent representation for LGBTQ+ individuals, matching the estimated 10 percent of people identifying as LGBTQ+ in California.
- 10) Nationally, there were over 500 anti-LGBTQ+ bills introduced in state legislatures across the country during the 2023 legislative year, and there are already over 500 anti-LGBTQ+ bills introduced in state legislatures across the nation as of May during the 2024 legislative year.
- 11) Lesbian, gay, bisexual, transgender, and queer Americans, their families and friends, and all those committed to justice and equality celebrate, during the month of June, the rich culture, the notable achievements, and the outstanding services that lesbian, gay, bisexual, transgender, and queer Americans make to our great state, nation, and territories.
