Memo

To: Rules Committee Members
From: Michael Erke, Bill Referral Consultant
Date: 2/23/2022
Re: Consent Bill Referrals

Since you received your preliminary list of bill referrals, HR 91 has been added to the list of referrals. The referral recommendation for AB 2093, AB 2105, and AB 2131 has changed.

REFERRAL OF BILLS TO COMMITTEE

02/24/2022

Pursuant to the Assembly Rules, the following bills were referred to committee:

<u>Assembly Bill No.</u>	<u>Committee:</u>
<u>AB 1851</u>	L. & E.
<u>AB 1953</u>	E.S. & T.M.
<u>AB 2000</u>	TRANS.

Assembly Concurrent Resolution

No. 145

Introduced by Assembly Member Reyes

February 17, 2022

Assembly Concurrent Resolution No. 145—Relative to triple-negative breast cancer.

LEGISLATIVE COUNSEL’S DIGEST

ACR 145, as introduced, Reyes. Triple-Negative Breast Cancer Awareness Day and Month.

This measure would proclaim March 3, 2022, as Triple-Negative Breast Cancer Awareness Day and the month of March 2022 as Triple-Negative Breast Cancer Awareness Month.

Fiscal committee: no.

- 1 WHEREAS, Breast cancer is among the most commonly
2 diagnosed cancers and the second leading cause of cancer death
3 among women in the United States; and
4 WHEREAS, Approximately 281,550 women will be diagnosed
5 with breast cancer and nearly 43,600 will die with this malignancy
6 in 2022; and
7 WHEREAS, Triple-negative breast cancer is one of many forms
8 of breast cancer and accounts for about 15 to 30 percent of all
9 diagnosed invasive breast cancer cases in the United States; and
10 WHEREAS, More than 53,700 new breast cancer cases in 2019
11 in the United States were triple-negative breast cancer with higher
12 prevalence among younger women, Black and Hispanic women,
13 women with type 2 diabetes or carrying excess weight in the

1 abdomen area, and women with breast cancer gene 1 (BRCA1)
2 mutations; and

3 WHEREAS, Due to its aggressive behavior, triple-negative
4 breast cancer grows quickly and is more likely to have spread at
5 the time it is found and is more likely to come back after treatment
6 than other types of breast cancer, and

7 WHEREAS, People diagnosed with metastatic triple-negative
8 breast cancer have a less than 30 percent chance of surviving past
9 five years; and

10 WHEREAS, Triple-negative breast cancer cells do not contain
11 three key receptors that medicines typically target in other types
12 of breast cancers. As a result, there are limited treatment options
13 that can be used to treat the cancer; and

14 WHEREAS, Patients with an early diagnosis of triple-negative
15 breast cancer can often be treated with chemotherapy, radiation,
16 and surgery. However, the limited therapies available specifically
17 addressing the management of triple-negative breast cancer has
18 made treating this disease a challenge for clinicians; and

19 WHEREAS, Recent innovation in targeted therapies have fueled
20 advances in the fight against triple-negative breast cancer; and

21 WHEREAS, Studies have shown that triple-negative breast
22 cancer disease-specific mortality rates are often higher for patients
23 who have Medicaid or Medicare or are from lower socioeconomic
24 backgrounds. Further, compared with non-Hispanic white women,
25 Black women are 48 percent less likely to receive
26 guideline-adherent care and have an approximate two-fold higher
27 mortality incidence, resulting in a disproportionately higher risk
28 of death from triple-negative breast cancer; and

29 WHEREAS, Advances in breast cancer screening and treatment
30 over the last few decades have reduced the overall breast cancer
31 mortality rate, yet the disproportionate impact of triple-negative
32 breast cancer on racial and ethnic minority communities raises
33 considerations about the underlying determinants driving the
34 disparities; and

35 WHEREAS, It is necessary to promote triple-negative breast
36 cancer education, raise awareness about the disease-related
37 disparities, and tackle inequities within health care delivery,
38 including inadequate access to screening, diagnostic testing, and
39 care, in order to improve early detection and survival; and

1 WHEREAS, Additional legislative provisions should be
2 examined to safeguard affordable, continuous, and equitable patient
3 access to triple-negative breast-cancer-related care, services, and
4 medicines along the entire continuum of care; and

5 WHEREAS, The Legislature supports health promotion
6 initiatives that target underserved communities disproportionately
7 impacted by triple-negative breast cancer and that promote cultural
8 sensitivity and workforce diversity policies in health care provider
9 training and guarantee timely patient access to clinically
10 appropriate treatment options identified in the National
11 Comprehensive Cancer Network (NCCN) Guidelines; now,
12 therefore, be it

13 *Resolved by the Assembly of the State of California, the Senate*
14 *thereof concurring*, That the Legislature proclaims March 3, 2022,
15 as Triple-Negative Breast Cancer Awareness Day and the month
16 of March 2022 as Triple-Negative Breast Cancer Awareness
17 Month; and be it further

18 *Resolved*, That the Chief Clerk of the Assembly transmit copies
19 of this resolution to the author for appropriate distribution.

O

Date of Hearing: February 24, 2022

ASSEMBLY COMMITTEE ON RULES
Ken Cooley, Chair
ACR 145 (Reyes) – As Introduced February 17, 2022

SUBJECT: Triple-Negative Breast Cancer Awareness Day and Month.

SUMMARY: Proclaims March 3, 2022, as Triple-Negative Breast Cancer Awareness Day and the month of March 2022 as Triple-Negative Breast Cancer Awareness Month. Specifically, **this resolution** makes the following legislative findings:

- 1) Breast cancer is among the most commonly diagnosed cancers and the second leading cause of cancer death among women in the United States. Approximately 281,550 women will be diagnosed with breast cancer and nearly 43,600 will die with this malignancy in 2022.
- 2) Triple-negative breast cancer is one of many forms of breast cancer and accounts for about 15 to 30 percent of all diagnosed invasive breast cancer cases in the United States.
- 3) More than 53,700 new breast cancer cases in 2019 in the United States were triple-negative breast cancer with higher prevalence among younger women, Black and Hispanic women, women with type 2 diabetes or carrying excess weight in the abdomen area, and women with breast cancer gene 1 (BRCA1) mutations.
- 4) Due to its aggressive behavior, triple-negative breast cancer grows quickly and is more likely to have spread at the time it is found and is more likely to come back after treatment than other types of breast cancer.
- 5) Triple-negative breast cancer cells do not contain three key receptors that medicines typically target in other types of breast cancers. As a result, there are limited treatment options that can be used to treat the cancer.
- 6) Patients with an early diagnosis of triple-negative breast cancer can often be treated with chemotherapy, radiation, and surgery. However, the limited therapies available specifically addressing the management of triple-negative breast cancer has made treating this disease a challenge for clinicians.
- 7) Advances in breast cancer screening and treatment over the last few decades have reduced the overall breast cancer mortality rate, yet the disproportionate impact of triple-negative breast cancer on racial and ethnic minority communities raises considerations about the underlying determinants driving the disparities.
- 8) It is necessary to promote triple-negative breast cancer education, raise awareness about the disease-related disparities, and tackle inequities within health care delivery, including inadequate access to screening, diagnostic testing, and care, in order to improve early detection and survival

House Resolution

No. 90

Introduced by Assembly Member O'Donnell

February 17, 2022

House Resolution No. 90—Relative to Read Across America Day.

1 WHEREAS, Reading is the building block to learning and the
2 foundation for future success; and

3 WHEREAS, In 1998, the National Education Association
4 celebrated the Read Across America campaign to raise awareness
5 about the importance of reading; and

6 WHEREAS, The California Teachers Association celebrates
7 Read Across America and the positive impact it has made in the
8 schools and the State of California; and

9 WHEREAS, Read Across America is a national celebration of
10 reading that promotes literacy, reading, and adult involvement in
11 the education of pupils, and will be celebrated on March 2 in honor
12 of Dr. Seuss's birthday; and

13 WHEREAS, To celebrate the joy of reading, pupils, parents,
14 educators, sports figures, celebrities, firefighters, and business and
15 community leaders are taking part in Read Across America events
16 throughout the nation; and

17 WHEREAS, On March 2, 2022, the National Education
18 Association, the California Teachers Association, local schools,
19 libraries, bookstores, businesses, and other community
20 organizations will commemorate Read Across America Day; now,
21 therefore, be it

22 *Resolved by the Assembly of the State of California*, That the
23 Assembly joins the California Teachers Association in recognizing
24 March 2, 2022, as Read Across America Day; and be it further

- 1 *Resolved*, That the Chief Clerk of the Assembly transmit copies
- 2 of this resolution to the author for appropriate distribution.

O

Date of Hearing: February 24, 2022

ASSEMBLY COMMITTEE ON RULES
Ken Cooley, Chair
HR 90 (O'Donnell) – As Introduced February 17, 2022

SUBJECT: Read Across America Day.

SUMMARY: Recognizes March 2, 2022, as Read Across America Day. Specifically, **this resolution** makes the following legislative findings:

- 1) Reading is the building block to learning and the foundation for future success; and, in 1998, the National Education Association celebrated the Read Across America campaign to raise awareness about the importance of reading.
- 2) Read Across America is a national celebration that promotes literacy, reading, and adult involvement in the education of pupils, and will be celebrated on March 2 in honor of Dr. Seuss's birthday.
- 3) To celebrate the joy of reading, pupils, parents, teachers, sports figures, celebrities, firefighters, and business and community leaders are taking part in Read Across America events throughout the nation.

House Resolution

No. 91

Introduced by Assembly Member Maienschein

February 23, 2022

House Resolution No. 91—Relative to Rare Disease Day.

1 WHEREAS, There are nearly 7,000 diseases and conditions
2 that are considered rare, each affecting fewer than 200,000
3 Americans, according to the National Institutes of Health; and

4 WHEREAS, Of these nearly 7,000 rare diseases, more than 80
5 percent are considered ultrarare, affecting less than a few thousand
6 Americans; and

7 WHEREAS, While each of these diseases may affect a small
8 number of people, rare diseases as a group affect almost 30 million
9 Americans; and

10 WHEREAS, Many rare diseases are serious and debilitating
11 conditions that have a significant impact on the lives of those
12 affected; and

13 WHEREAS, While more than 600 drugs and biologics have
14 been approved for the treatment of rare diseases, according to the
15 United States Food and Drug Administration, millions of
16 Americans still have rare diseases for which there is no approved
17 treatment; and

18 WHEREAS, Individuals and families affected by rare diseases
19 often experience problems such as diagnosis delay, difficulty
20 finding a medical expert, and lack of access to treatments or
21 ancillary services; and

22 WHEREAS, While the public is familiar with some rare
23 diseases, such as “Lou Gehrig’s disease,” and are sympathetic to
24 those affected, many patients and families affected by less widely

1 known rare diseases bear a large share of the burden of funding
2 research and raising public awareness to support the search for
3 treatments; and

4 WHEREAS, Millions of Californians are among those affected
5 by rare diseases because nearly one in 10 Americans has a rare
6 disease; and

7 WHEREAS, The National Organization for Rare Disorders is
8 organizing a nationwide observance of Rare Disease Day on
9 February 28, 2022; and

10 WHEREAS, Thousands of patients, caregivers, medical
11 professionals, researchers, companies developing orphan products
12 to treat people with rare diseases, and others in the State of
13 California will participate in that observance; now, therefore, be
14 it

15 *Resolved by the Assembly of the State of California*, That the
16 Assembly hereby proclaims February 28, 2022, as Rare Disease
17 Day in California; and be it further

18 *Resolved*, That the Chief Clerk of the Assembly transmit copies
19 of this resolution to the author for appropriate distribution.

January 3, 2022

Senate Concurrent Resolution No. 63—Relative to Rose Ann Vuich Recognition Day.

LEGISLATIVE COUNSEL’S DIGEST

SCR 63, as introduced, Hurtado. Rose Ann Vuich Recognition Day. This measure would proclaim January 27, 2022, as Rose Ann Vuich Recognition Day, in recognition of Senator Rose Ann Vuich as the first woman elected to the California State Senate, to honor Senator Vuich’s service to the Senate, and to appropriately reflect the Senator’s stature and legacy.

Fiscal committee: no.

- 1 WHEREAS, Senator Rose Ann Vuich blazed a trail for women
- 2 in the California Legislature by being the first woman elected to
- 3 the State Senate; and
- 4 WHEREAS, Senator Vuich was first elected to the Senate in
- 5 1976 and served four consecutive terms until 1992; and
- 6 WHEREAS, Senator Vuich was a second-generation Serbian
- 7 American from the small farm town of Dinuba, in Tulare County,
- 8 California; and

1 WHEREAS, Before election to the Senate, Senator Vuich had
2 distinguished careers as a farmer, President of the Dinuba Chamber
3 of Commerce, a tax accountant, an estate planner, and an office
4 manager; and

5 WHEREAS, Senator Vuich was an expert in agricultural
6 development and international trade and chaired the California
7 State Legislature Rural Caucus and the Senate Banking, Commerce,
8 and International Trade Committee; and

9 WHEREAS, Senator Vuich authored California’s Agricultural
10 Export Finance Program, which became a national model; and

11 WHEREAS, Senator Vuich authored legislation that created the
12 former California Trade and Commerce Agency; and

13 WHEREAS, Senator Vuich was the only woman in the
14 California Senate for two years and served as the Senate’s female
15 conscience by keeping a small porcelain bell to ring whenever a
16 colleague addressed the “gentlemen” of the Senate, as a reminder
17 that a gentlewoman was present in the chambers; and

18 WHEREAS, Senator Vuich was a person of integrity who took
19 public responsibilities very seriously and gave constituents fair,
20 ethical consideration of issues and conscientious, cost-effective
21 delivery of service; and

22 WHEREAS, Senator Vuich’s tenure in the California State
23 Senate marked the beginning of positive change by paving the way
24 for future women legislators who have joined that legacy. There
25 are currently 15 women in the Senate and 24 in the Assembly; and

26 WHEREAS, The restroom near the Senate Chamber was
27 designated “The Rose Room” in Senator Vuich’s honor, as it was
28 installed because at the time there was no women’s restroom
29 nearby, and Committee Hearing Room 2040 is known as the Rose
30 Ann Vuich Hearing Room; now, therefore, be it

31 *Resolved by the Senate of the State of California, the Assembly*
32 *thereof concurring*, That the Legislature hereby designates January
33 27, 2022, as Rose Ann Vuich Recognition Day, in recognition of
34 Senator Rose Ann Vuich as the first woman elected to the
35 California State Senate, to honor Senator Vuich’s service to the
36 Senate, and to appropriately reflect the Senator’s stature and legacy;
37 and be it further

- 1 *Resolved*, That the Secretary of the Senate transmit copies of
- 2 this resolution to the Chief Clerk of the Assembly and to the author
- 3 for appropriate distribution.

O

Date of Hearing: February 24, 2022

ASSEMBLY COMMITTEE ON RULES
Ken Cooley, Chair
SCR 63 (Hurtado) – As Introduced January 3, 2022

SENATE VOTE: 37-0

SUBJECT: Rose Ann Vuich Recognition Day.

SUMMARY: Proclaims January 27, 2022, as Rose Ann Vuich Recognition Day, in recognition of Senator Rose Ann Vuich as the first woman elected to the California State Senate, to honor Senator Vuich’s service to the Senate, and to appropriately reflect the Senator’s stature and legacy. Specifically, **this resolution** makes the following legislative findings:

- 1) Senator Rose Ann Vuich blazed a trail for women in the California Legislature by being the first woman elected to the State Senate. Senator Vuich was first elected to the Senate in 1976 and served four consecutive terms until 1992.
- 2) Before election to the Senate, Senator Vuich had distinguished careers as a farmer, President of the Dinuba Chamber of Commerce, a tax accountant, an estate planner, and an office manager.
- 3) Senator Vuich was an expert in agricultural development and international trade and chaired the California State Legislature Rural Caucus and the Senate Banking, Commerce, and International Trade Committee.
- 4) Senator Vuich authored California’s Agricultural Export Finance Program, which became a national model. She authored legislation that created the former California Trade and Commerce Agency.
- 5) Senator Vuich was the only woman in the California Senate for two years and served as the Senate’s female conscience by keeping a small porcelain bell to ring whenever a colleague addressed the “gentlemen” of the Senate, as a reminder that a gentlewoman was present in the chambers.
- 6) Senator Vuich was a person of integrity who took public responsibilities very seriously and gave constituents fair, ethical consideration of issues and conscientious, cost-effective delivery of service.
- 7) Senator Vuich’s tenure in the California State Senate marked the beginning of positive change by paving the way for future women legislators who have joined that legacy. There are currently 15 women in the Senate and 24 in the Assembly.

January 24, 2022

Senate Concurrent Resolution No. 65—Relative to Teen Dating Violence Awareness and Prevention Month.

LEGISLATIVE COUNSEL’S DIGEST

SCR 65, as introduced, Rubio. Teen Dating Violence Awareness and Prevention Month.

This measure would proclaim the month of February 2022 as Teen Dating Violence Awareness and Prevention Month, and would call upon the people of California to observe the month with programs and activities that raise awareness about the dynamics of teen dating violence and that support youth in learning the skills to have safe and healthy relationships.

Fiscal committee: no.

- 1 WHEREAS, Teen dating violence, also known as dating abuse,
- 2 is a serious and growing problem throughout California; and
- 3 WHEREAS, Teen dating violence intervention and prevention
- 4 programs can help to ensure a positive school climate and safe
- 5 learning environment for all youth 12 to 24 years of age, inclusive;
- 6 and
- 7 WHEREAS, Education and outreach programs to community
- 8 members address warning signs of teen dating violence among
- 9 youth before behaviors escalate and protect the safety of targeted
- 10 youth; and

1 WHEREAS, Consistent with the federal Centers for Disease
2 Control and Prevention (CDC) recommendations for a
3 comprehensive primary prevention program, multiple strategies
4 are required, such as teaching safe and healthy relationship skills,
5 engaging influential adults and peers, disrupting the developmental
6 pathways toward partner violence, creating protective
7 environments, strengthening economic supports for families, and
8 supporting survivors to increase safety and lessen harm; and

9 WHEREAS, Each year, an estimated one in 10 high school
10 students is physically hurt on purpose by a dating partner; and

11 WHEREAS, According to the CDC model, Dating Matters:
12 Strategies to Promote Healthy Teen Relationships, one in three
13 adolescents reports verbal, emotional, physical, or sexual dating
14 abuse each year; and

15 WHEREAS, American Indian and Alaska Native children suffer
16 exposure to violence at rates higher than any other race in the
17 United States; and

18 WHEREAS, According to the American Psychological
19 Association, one in three teens 14 to 20 years of age, inclusive,
20 has experienced dating abuse, and about the same number say that
21 they have committed dating abuse themselves; and

22 WHEREAS, According to the CDC, one in 11 female teens and
23 one in 15 male teens reported experiencing physical violence in
24 the last year; and

25 WHEREAS, According to the CDC, one in 9 female teens and
26 one in 36 male teens reported experiencing sexual dating violence
27 in the last year; and

28 WHEREAS, Forty-three percent of lesbian, gay, or bisexual
29 (LGB) teens reported experiencing physical dating violence,
30 compared to 29 percent of heterosexual youth; and

31 WHEREAS, Fifty-nine percent of LGB teens reported emotional
32 abuse, compared to 46 percent of heterosexual youth; and

33 WHEREAS, Fifty percent of transgender youth reported
34 experiencing sexual violence at some point in their lives; and

35 WHEREAS, Teen dating violence has been linked to other forms
36 of violence and aggression against peers, including bullying, sexual
37 harassment, sexual violence, and physical violence; and

38 WHEREAS, Survivors of teen dating violence have increased
39 risk for truancy, dropout, teen pregnancy, suicide, having eating

1 disorders, and engaging in other harmful behaviors, such as use
2 of alcohol, tobacco, and other drugs; and

3 WHEREAS, Nearly one-half of students who experience dating
4 violence have reported that some of the abuse took place on school
5 grounds; and

6 WHEREAS, Youth who are survivors in high school are at
7 higher risk for victimization during college, and adolescent
8 perpetrators of dating violence are more likely to abuse their
9 intimate partners as adults; and

10 WHEREAS, The establishment of Teen Dating Violence
11 Awareness and Prevention Month will benefit schools,
12 communities, families, and all youth; now, therefore, be it

13 *Resolved, by the Senate of the State of California, the Assembly*
14 *thereof concurring*, That the Legislature proclaims the month of
15 February 2022 as Teen Dating Violence Awareness and Prevention
16 Month, and supports communities to empower teens to develop
17 healthy and violence-free relationships throughout their lives; and
18 be it further

19 *Resolved*, That the Legislature calls upon the people of
20 California, including schools, community groups, families, and
21 youth, to observe Teen Dating Violence Awareness and Prevention
22 Month with programs and activities that raise awareness about the
23 dynamics of teen dating violence and that support youth in learning
24 the skills to have safe and healthy relationships; and be it further

25 *Resolved*, That the Secretary of the Senate transmit copies of
26 this resolution to the author for appropriate distribution.

February 22, 2022

Assemblymember Ken Cooley
Chair, Assembly Rules Committee
California State Assembly
Sacramento, CA 95814

Re: SCR 65 (Rubio) - Teen Dating Violence Awareness and Prevention Month - Sponsor

Dear Assemblymember Cooley,

On behalf of the California Partnership to End Domestic Violence (the Partnership), I write today in support of SCR 65 (Rubio). We are pleased to sponsor this resolution to declare February Teen Dating Violence Awareness and Prevention Month and bring awareness to this important issue.

The California Partnership to End Domestic Violence (the Partnership) is California's recognized domestic violence coalition, representing over 1,000 advocates, organizations and allied individuals across the state. Working at the local, state and national levels for nearly 40 years, the Partnership believes that by sharing resources and expertise, advocates and policymakers can end domestic violence. Every day we inspire, inform and connect all those concerned with this issue, because together we're stronger.

Teen dating violence is a serious and growing problem throughout California. Teen dating violence intervention and prevention programs can help to ensure a positive school climate and safe learning environment for all youth ages 12 to 24. Each year, an estimated 1 in 10 high school students is physically hurt on purpose by a dating partner.ⁱ According to the Center for Disease Control and Prevention, Dating Matters: Strategies to Promote Healthy Teen Relationships, 1 in 3 adolescents report verbal, emotional, physical or sexual dating abuse each year.ⁱⁱ 43% of LGB teens reported experiencing physical dating violence, compared to 29% of heterosexual youth, and 59% of LGB teens reported emotional abuse, compared to 46% of heterosexual youthⁱⁱⁱ.

Survivors of teen dating violence have increased risk for truancy, dropout, teen pregnancy, suicide, having eating disorders, and engaging in other harmful behaviors such as use of alcohol, tobacco and other drugs. Youth who are survivors in high school are at a higher risk for victimization during college, and adolescent perpetrators of dating violence are more likely to abuse their intimate partners as adults.^{iv}

Teen Dating Violence Awareness and Prevention Month is an important opportunity to bring attention to this issue, highlight the need for prevention, and engage community members in this important work. By recognizing this month, the legislature sends a message of its commitment to raising

awareness and supporting prevention efforts. For these reasons, the Partnership is pleased to sponsor SCR 65 and we urge your support on this important legislation.

Sincerely,

Christine Smith

**Introduced by Senator Dodd
(Coauthors: Senators Jones, Limón, and Newman)**

February 9, 2022

Senate Concurrent Resolution No. 66—Relative to Eating Disorders Awareness Week.

LEGISLATIVE COUNSEL’S DIGEST

SCR 66, as introduced, Dodd. Public health: Eating disorders.

This resolution would designate the week beginning on February 21, 2022, as Eating Disorders Awareness Week.

Fiscal committee: no.

1 WHEREAS, The 2022 theme of National Eating Disorders
2 Awareness Week is “See the Change, Be the Change” and will
3 focus on recognizing change within the ever-evolving eating
4 disorders field and promoting advocacy, awareness, and community
5 building; and

6 WHEREAS, Eating disorders are serious conditions that are
7 potentially life-threatening and have a great impact on both a
8 person’s physical and emotional health. Too often, signs and
9 symptoms are overlooked, and many individuals, families, and
10 communities are unaware of the devastating mental and physical
11 consequences of eating disorders, as well as the pressures, attitudes,
12 and behaviors that shape them; and

13 WHEREAS, In the United States, 20 million women and 10
14 million men suffer from clinically significant eating disorders at
15 some time in their life. These disorders affect people across all
16 backgrounds and include anorexia nervosa, bulimia nervosa, and
17 binge eating disorders; and

1 WHEREAS, The National Eating Disorders Association strives
2 to address the many misconceptions regarding eating disorders
3 and to highlight the availability of resources for treatment and
4 support; and

5 WHEREAS, National Eating Disorders Awareness Week is a
6 collaborative effort consisting primarily of volunteers, including
7 eating disorder professionals, health care providers, students,
8 educators, social workers, and individuals committed to raising
9 awareness of the dangers surrounding eating disorders and the
10 need for early intervention and treatment access; and

11 WHEREAS, Eating disorders usually appear in adolescence and
12 are associated with substantial psychological problems, including
13 depression, substance abuse, and suicide. Eating disorders are
14 serious illnesses, not lifestyle choices. In fact, anorexia has the
15 highest mortality rate of any mental illness; and

16 WHEREAS, Many cases of eating disorders go undetected, and
17 less than one-third of youth with eating disorders will receive
18 treatment; and

19 WHEREAS, Eating disorders experts have found that prompt
20 intensive treatment significantly improves the chances of recovery.
21 Therefore, it is important for educators, medical providers, parents,
22 and community members to be aware of the warning signs and the
23 symptoms of eating disorders; and

24 WHEREAS, National Eating Disorders Awareness Week will
25 encourage people to share their stories and experiences with eating
26 disorders and body image struggles, highlight the importance of
27 screenings for the early detection and intervention of eating
28 disorders, dispel myths, and present eating disorders as a public
29 health issue that affects all kinds of people, regardless of age,
30 gender, ethnicity, size, or background; and

31 WHEREAS, The State of California recognizes the vital work
32 of National Eating Disorders Awareness Week in promoting public
33 and media attention to the seriousness of eating disorders and for
34 working to improve education about their biological and
35 environmental causes, as well as how to help those who are
36 struggling with these debilitating diseases; now, therefore, be it

37 *Resolved by the Senate of the State of California, the Assembly*
38 *thereof concurring*, That the Legislature proclaims the week of
39 February 21, 2022, to February 27, 2022, inclusive, as Eating

- 1 Disorders Awareness Week in the State of California; and be it
- 2 further
- 3 *Resolved*, That the Secretary of the Senate transmit copies of
- 4 this resolution to the author for appropriate distribution.

Re: SCR 66 – Eating Disorders Awareness Week: Support

Dear Senator Dodd,

On behalf of the Eating Disorder Resource Center, I am writing to express support for Senate Concurrent Resolution 66. Eating disorders are serious conditions that are potentially life-threatening and have a great impact on both a person's physical and emotional health. Too often, signs and symptoms are overlooked, and many individuals, families, and communities are unaware of the devastating mental and physical consequences of eating disorders, as well as the pressures, attitudes, and behaviors that shape them. In the United States, 20 million women and 10 million men suffer from clinically significant eating disorders at some time in their life. These disorders affect people across all backgrounds and include anorexia nervosa, bulimia nervosa, and binge eating disorders.

Eating disorders usually appear in adolescence and are associated with substantial psychological problems, including depression, substance abuse, and suicide. Eating disorders are serious illnesses, not lifestyle choices. In fact, anorexia has the highest mortality rate of any mental illness. Many cases of eating disorders go undetected, and less than one-third of youth with eating disorders will receive treatment. Eating disorders experts have found that prompt intensive treatment significantly improves the chances of recovery. Therefore, it is important for educators, medical providers, parents, and community members to be aware of the warning signs and the symptoms of eating disorders.

National Eating Disorders Awareness Week will encourage people to share their stories and experiences with eating disorders and body image struggles, highlight the importance of screenings for the early detection and intervention of eating disorders, and bust myths and present eating disorders as a public health issue that affects all kinds of people, regardless of age, gender, ethnicity, size, or background.

For the reasons stated, the Eating Disorder Resource Center is pleased to support SCR 66 and thanks you for authoring this important measure.

Sincerely,

A handwritten signature in black ink that reads 'Janice Bremis'.

FIONA MA, CPA
TREASURER
STATE OF CALIFORNIA

February 10, 2022

The Honorable Ken Cooley
Chair, Assembly Rules Committee
State Capitol, Room 3016
Sacramento, CA 95814

RE: CO-SPONSOR: SCR 66 – EATING DISORDERS AWARENESS WEEK

Dear Chair Cooley,

I am reaching out as a co-sponsor for **Senate Concurrent Resolution 66 (SCR 66) (Dodd)**, which will proclaim the week of February 21, 2022, to February 27, 2022, as Eating Disorders Awareness Week.

National Eating Disorders Awareness Week serves to further the conversation around eating disorders. Eating disorders are shrouded in stigma, secrecy, and stereotypes; and the goal of this year's campaign is to shine a light on these deadly illnesses, dispel misinformation, and connect people with the support they need to recover.

Eating disorders are serious conditions that are potentially life-threatening and have a great impact on both a person's physical and emotional health. That is why during my tenure in the Assembly, I proudly authored a similar resolution to raise awareness of how detrimental these disorders are in our communities, and why I am proud to co-sponsor SCR 66 today.

In the United States, 28.8 million Americans will struggle with an eating disorder at some time in their life. These disorders affect people across all backgrounds and include anorexia nervosa, bulimia nervosa, and binge eating disorders.

National Eating Disorders Awareness Week is a collaborative effort consisting primarily of volunteers, including eating disorder professionals such as the National Eating Disorder Association, health care providers, students, educators, social workers, and individuals committed to raising awareness of the dangers surrounding eating disorders and the need for early intervention and treatment access.

SCR 66 recognizes the vital work of National Eating Disorders Awareness Week in promoting public and media attention to the seriousness of eating disorders and for working to improve education about their biological and environmental causes, as well as how to help those who are struggling with these debilitating diseases.

For these important reasons, I am pleased to co-sponsor SCR 66 and respectfully request its passage out of your Committee at the appropriate time. Please do not hesitate to contact Kasey O'Connor, my Legislative Director, with any questions at (916) 926-2074. Thank you for your consideration of this important issue.

In Peace and Friendship,

FIONA MA, CPA
California State Treasurer
