Assembly Concurrent Resolution

No. 153

**Introduced by Assembly Member Luz Rivas
(Principal coauthors: Assembly Members Chu, Obernolte, and
Quirk)**

January 27, 2020

Assembly Concurrent Resolution No. 153—Relative to Engineers Week.

LEGISLATIVE COUNSEL’S DIGEST

ACR 153, as introduced, Luz Rivas. Engineers Week.

This measure would recognize the week of February 16, 2020, to February 22, 2020, as Engineers Week.

Fiscal committee: no.

1 WHEREAS, The week of February 16, 2020, to February 22,
2 2020, is being observed by state and national engineering
3 organizations as Engineers Week, during which time a number of
4 observances will take place in California; and

5 WHEREAS, Engineers Week is celebrating its 69th anniversary
6 with the theme Engineers: Pioneers of Progress; and

7 WHEREAS, Engineers Week promotes recognition among
8 parents, teachers, and students of the importance of a technical
9 education and a high level of mathematics, science, and technology
10 literacy, and motivates youth to pursue engineering careers and
11 participate in a diverse and vigorous engineering workforce; and

12 WHEREAS, California leads the world in science, technology,
13 engineering, and mathematics (STEM) education, inspiring and
14 preparing all of its students to seize the opportunities of the global

1 society through innovation, inquiry, collaboration, and creative
2 problem solving; and

3 WHEREAS, According to the United States Department of
4 Labor, Bureau of Labor Statistics, there are more than 1,700,000
5 practicing engineers in the United States, and according to the
6 Board for Professional Engineers, Land Surveyors, and Geologists,
7 there are over 90,000 active, licensed engineers in the State of
8 California; and

9 WHEREAS, Engineers' work drives our economy, and many
10 experts predict that the United States needs to produce more
11 engineers in order to meet future demand and to stay competitive
12 in the global marketplace; and

13 WHEREAS, Engineers practice in a number of important
14 specialties, including civil, mechanical, electrical, structural,
15 geotechnical, chemical, control systems, fire protection, nuclear,
16 industrial petroleum, metallurgical, agricultural, and traffic, and
17 through these special disciplines, a complete range of engineering
18 services is provided to both the private and public sectors in
19 California; and

20 WHEREAS, Professional engineers are leaders in the
21 development of more efficient, environmentally sustainable,
22 technologically advanced designs relating to water quality, sewage
23 treatment, sanitary engineering, flood control, structural integrity
24 of buildings and bridges, seismic safety, cleanup of hazardous
25 waste and toxic sites, and public transportation, including
26 highways, rail, waterways, and airports; and

27 WHEREAS, California's engineers apply their unique
28 knowledge and skill to help communities grow, thrive, and remain
29 safe, and are truly dedicated to building a better California; and

30 WHEREAS, It is appropriate at this time to recognize the
31 contributions of engineering professionals to the betterment of
32 humankind; now, therefore, be it

33 *Resolved by the Assembly of the State of California, the Senate*
34 *thereof concurring*, That in recognition of the services bestowed
35 upon the citizens of the State of California by engineers, the
36 Legislature hereby recognizes the week of February 16, 2020, to
37 February 22, 2020, as Engineers Week; and be it further

- 1 *Resolved*, That the Chief Clerk of the Assembly transmit copies
- 2 of this resolution to the author for appropriate distribution.

O

Date of Hearing: February 6, 2020

ASSEMBLY COMMITTEE ON RULES
Ken Cooley, Chair
ACR 153 (Luz Rivas) – As Introduced January 27, 2020

SUBJECT: Engineers Week.

SUMMARY: Recognizes the week of February 16, 2020, to February 22, 2020, as Engineers Week. Specifically, **this resolution** makes the following legislative findings:

- 1) The week of February 16, 2020, to February 22, 2020, is being observed by state and national engineering organizations as Engineers Week, during which time a number of observances will take place in California.
- 2) Engineers Week is celebrating its 69th anniversary with the theme, Engineers: Pioneers of Progress, to promote recognition among parents, teachers, and students of the importance of a technical education and a high level of mathematics, science, and technology literacy; and, to motivate youth to pursue engineering careers and participate in a diverse and vigorous engineering workforce.
- 3) California leads the world in science, technology, engineering, and mathematics (STEM) education, inspiring and preparing all of its students to seize the opportunities of the global society through innovation, inquiry, collaboration, and creative problem solving.
- 4) According to the United States Department of Labor, Bureau of Labor Statistics, there are more than 1.7 million practicing engineers in the United States, and according to the Board for Professional Engineers, Land Surveyors, and Geologists, there are over 90,000 active, licensed engineers in the State of California.
- 5) Engineers' work drives our economy, and many experts predict that the United States needs to produce more engineers in order to meet future demands and to stay competitive in the global marketplace.
- 6) Engineers practice in a number of important specialties, including civil, mechanical, electrical, structural, geotechnical, chemical, control systems, fire protection, nuclear, industrial petroleum, metallurgical, agricultural, and traffic, and through these special disciplines a complete range of engineering services is provided to both the private and public sectors in California.
- 7) Professional engineers are leaders in the development of more efficient, environmentally sustainable, technologically advanced designs relating to water quality, sewage treatment, sanitary engineering, flood control, structural integrity of buildings and bridges, seismic safety, cleanup of hazardous waste and toxic sites, and public transportation, including highways, rail, waterways, and airports.
- 8) California's engineers apply their unique knowledge and skill to help communities grow, thrive, and remain safe, and are truly dedicated to building a better California.

House Resolution

No. 79

Introduced by Assembly Member Carrillo

January 29, 2020

House Resolution No. 79—Relative to American Heart Month and Wear Red Day.

- 1 WHEREAS, Cardiovascular diseases are the number one killer
2 of women and men in the United States; and
3 WHEREAS, Cardiovascular diseases kill one woman almost
4 every 80 seconds in the United States; and
5 WHEREAS, Heart disease and stroke can affect all women at
6 any age while new research is showing a rise in heart attacks in
7 younger women; and
8 WHEREAS, About 80 percent of cardiac events can be
9 prevented through education and lifestyle changes; and
10 WHEREAS, High blood pressure, or hypertension, is the second
11 leading cause of preventable heart disease and death by
12 stroke—second only to smoking; and
13 WHEREAS, All women are encouraged to move more, eat
14 smart, and manage blood pressure to reduce their risk of
15 cardiovascular disease; and
16 WHEREAS, The American Heart Association’s Go Red For
17 Women movement motivates women to learn their family history
18 and to meet with a healthcare provider to determine their risk for
19 cardiovascular diseases and stroke; and
20 WHEREAS, Go Red For Women empowers women to get
21 healthy through Watch Me Go Red, a campaign designed to engage
22 women to show others what they do to experience good health and

1 well-being, while inspiring others to do the same; now, therefore,
2 be it

3 *Resolved by the Assembly of the State of California,* That the
4 Assembly recognizes the month of February 2020 as American
5 Heart Month in California to raise awareness of the importance of
6 the ongoing fight against heart disease and stroke; and be it further

7 *Resolved,* That the Assembly recognizes February 7, 2020, as
8 Wear Red Day in California, and urges all citizens to show their
9 support for women and the fight against heart disease by
10 commemorating this day by wearing the color red. By increasing
11 awareness, speaking up about heart disease, and empowering
12 women to reduce their risk for cardiovascular disease, we can save
13 thousands of lives each year; and be it further

14 *Resolved,* That the Chief Clerk of the Assembly transmit copies
15 of this resolution to the author for appropriate distribution.

RE: House Resolution 79 - SUPPORT

Dear Chair Cooley,

On behalf of the American Heart Association and American Stroke Association, I am writing in support of HR 79, which would declare February 2020 American Heart Month and recognize February 7, 2020, as Wear Red Day in California.

Heart disease is the No. 1 cause of death in the United States, claiming the lives of over 600,000 Americans a year. HR 79 declares February 2020 American Heart Month in order to raise awareness of the importance of the ongoing fight against heart disease and stroke.

In addition, HR 79 will help raise awareness in the fight against heart disease among women. Cardiovascular disease accounts for one in three deaths nationwide, approximately one woman's death every 80 seconds. HR 79 promotes programs that will empower women to live a heart healthy life and recognizes that preventive strategies can increase survival rates from cardiovascular disease.

Introduced by Senator Galgiani

January 22, 2020

Senate Concurrent Resolution No. 79—Relative to California Girls and Women in Sports Day.

LEGISLATIVE COUNSEL’S DIGEST

SCR 79, as introduced, Galgiani. California Girls and Women in Sports Day.

This measure would declare the first Wednesday in February as the California Girls and Women in Sports Day to acknowledge the contributions of, and to recognize, girls and women in sports in California.

Fiscal committee: no.

- 1 WHEREAS, President Ronald Reagan declared February 4,
2 1987, as the first National Women in Sports Day, in recognition
3 of the history of women’s athletics and the progress made by the
4 Title IX amendment passed in 1972, codifying nondiscrimination
5 in sports programs; and
6 WHEREAS, National Girls and Women in Sports Day exists
7 to acknowledge past, and recognize current, sports achievements,
8 the positive influence of sports participation, and the continuing
9 struggle for equity, pay, and access for women in sports; and
10 WHEREAS, Participation in sports is acknowledged as a positive
11 force in developing and promoting the physical, mental, moral,
12 social, and emotional well-being of all individuals. In addition to
13 establishing a healthy, active lifestyle, sports build confidence,
14 leadership skills, and the ability to work with a team; and

1 WHEREAS, A need for increased opportunities exists for girls
2 to participate in and pursue physical activity at the community and
3 scholastic levels to improve their health and well-being and to
4 develop lifelong fitness habits at an early age; and

5 WHEREAS, Girl's and women's athletics is one of the most
6 effective avenues available through which women may develop
7 self-discipline, initiative, and confidence, regardless of background;
8 and

9 WHEREAS, Girls and women of all ages are encouraged to
10 participate in, and contribute to, sports at all levels of competition
11 and help prepare the next generation of female sports leaders; now,
12 therefore, be it

13 *Resolved by the Senate of the State of California, the Assembly*
14 *thereof concurring*, That the first Wednesday in February be
15 declared California Girls and Women in Sports Day to
16 acknowledge the contributions of, and to recognize, girls and
17 women in sports in California; and be it further

18 *Resolved*, That all teachers, school administrators, and
19 community policymakers take appropriate measures to ensure
20 equity in sports programs and activities in California; and be it
21 further

22 *Resolved*, That the Secretary of the Senate transmit copies of
23 this resolution to the author for appropriate distribution.

Re: SCR 79 (Galgiani) California Girls and Women in Sports Day (As Introduced January 22, 2020)

Dear Chair Cooley:

The California Association for Health, Physical Education, Recreation and Dance (CAHPERD) is a non-profit and diverse group whose mission is the "passionate promotion of active, healthy lifestyles." Members take a strong stand for quality programs in Health, Physical Education, Recreation, Sport and Dance, and other movement-related activities vital to the residents of California.

CAHPERD is proud to recognize and sponsor the 34th National Girls and Women in Sports Day on February 5, 2020. Further, the Association is in full support of equal opportunities that sport can provide for Girls and Women in Sports (GWS). Although there have been tremendous strides for females in sports since the landmark passage of Title IX in 1972, CAHPERD strongly believes there is more work to be completed, and there is more equality that can be accomplished. We feel this endeavor must be achieved through education and advocacy.

The wealth of positive benefits for girls' and women's participation in sports is multi-faceted and includes psychological physiological, emotional, and sociological areas [Women's Sports Foundation – Executive Summary 2020 (WSF)]. Since Title IX, research has consistently found females' participation in sport has been associated with lower body mass index (BMI) and lower rates of obesity (Kaestner and Xu, 2010). Further, these findings correlate to higher rates of self-worth reported by females who participate in sports in their adolescent years (Collins, Cromartie, Butler, and Bae, 2018). Moreover, research has consistently supported that females' participation in sports leads to more effective

coping skills to deal with the pressures of everyday life demands and leads to greater psychosocial development.

CAHPERD understands that Title IX laid the foundation for females of all ages to participate in sport. WSF also [states](#) that only 40% of teen girls are not actively participating in sports. We will continue to lend assistance in any form for the promotion and equality for GWS. Therefore, CAHPERD embraces February 5th 2020 as National Women in Sports Day and *California Girls and Women in Sports Day*.
