5 prenatally, is one of the most powerful predictors of children’s  
6 future social, emotional, physical, and behavioral health; and

1 WHEREAS, The COVID-19 pandemic, climate-related crises,  
2 and racial injustices have exacerbated economic insecurity, mental

6 experience inequities rooted in structural racism; and

7 WHEREAS, Research confirms that positive parenting prevents,  
8 buffers, and fosters healing from adverse childhood experiences  
9 (ACEs), including abuse, neglect, and household challenges, which  
10 impair lifelong health and well-being and occur in the context of  
11 adverse community environments that lack equity; and

12 WHEREAS, Research also confirms that positive parenting  
13 creates positive childhood experiences (PCEs), and children and  
14 youth who experience safe, stable, and nurturing relationships and  
15 environments learn empathy, impulse control, anger management,  
16 communication, and problem-solving skills that help protect against  
17 interpersonal, family, and community violence; and

18 WHEREAS, Families in California come in many forms, with  
19 children who are raised by parents, grandparents, foster parents,  
20 and family members, and supported by other caregivers in a variety

27 partnerships, including those between First 5 commissions,  
28 community-based organizations, local government, tribal nations,  
29 health and human service providers, schools, libraries, higher  
30 education institutions, child welfare agencies, family resource  
31 centers, and parent leaders; and

32 WHEREAS, Governor Gavin Newsom recognized,

35 education programs to build supports for children, youth, and  
36 parents; and

37 WHEREAS, The Governor’s Master Plan for Kids’ Mental  
38 Health highlights investments to address urgent mental health  
39 supports for children and youth especially in underserved and  
40 marginalized communities; and

1 WHEREAS, The Governor’s master plan creates an inclusive  
2 framework for supporting prevention and early intervention of  
3 mental health challenges, including the importance of providing  
4 more resources for parents to build their knowledge, tools and  
5 capacity to support the behavioral health of their children; and

6 WHEREAS, Parent education is an effective early intervention  
7 and prevention tool to mitigate ACEs, support parent-child needs  
8 to improve behavioral health, and destigmatize and normalize  
9 seeking support; and

10 WHEREAS, Counties may implement and encourage positive  
11 parenting through a population health approach so that all families  
12 have equitable opportunities to access information and support in  
13 ways that leverage their unique beliefs, traditions, customs,  
14 interests, and racial, ethnic, tribal, and cultural practices; and

**HR 10 (Muratsuchi): SPONSOR**

Dear Chair Ramos:

On behalf of the California School Boards Association (CSBA), which represents nearly 1,000 school districts and county boards of education statewide, we are pleased to sponsor House Resolution 10 (Muratsuchi) regarding School Board Recognition Month.

HR 10 recognizes the work of local governing boards that represent the many school districts and county offices of education serving communities throughout California. These boards are made up of dedicated community members, who include parents, local business owners, neighbors and many others who all have one thing in common – serving the needs of each and every student in their local schools.

We appreciate Assembly Member Muratsuchi's interest in recognizing the hard work and commitment of school boards and the dedicated individuals who serve on them by authoring HR 10 to highlight School Board Recognition Month.

For these reasons, CSBA is pleased to sponsor HR 10. If you have questions regarding our position, please feel free to call me at (916) 538-3004 or by email at [cmachado@csba.org](mailto:cmachado@csba.org).
