February 21, 2017

Assembly Concurrent Resolution No. 27—Relative to Multiple Sclerosis Awareness Week.

LEGISLATIVE COUNSEL'S DIGEST

ACR 27, as introduced, McCarty. Multiple Sclerosis Awareness Week.

This measure would declare the week of March 5, 2017, through March 11, 2017, as Multiple Sclerosis Awareness Week.

Fiscal committee: no.

1 WHEREAS, The week of March 5, 2017, through March 11,
2 2017, has been declared Multiple Sclerosis Awareness Week in
3 recognition of the importance of finding the cause of and a cure
4 for multiple sclerosis and to express appreciation to the National
5 Multiple Sclerosis Society; and

6 WHEREAS, Multiple sclerosis is a neurological disease of the
7 central nervous system that affects an estimated 400,000 Americans
8 across the country, and nearly 200 new cases are diagnosed each
9 week nationwide; and

10 WHEREAS, More than 40,000 people in California are affected
11 by this devastating disease; and

12 WHEREAS, Twice as many women as men have multiple
13 sclerosis and most are diagnosed between 20 and 50 years of age,
14 and while studies indicate genetic factors make certain individuals

1 more susceptible than others, there is no evidence that multiple
2 sclerosis is directly inherited; and

3 WHEREAS, The National Multiple Sclerosis Society, founded
4 in 1946, funds more research, offers more services for people with
5 multiple sclerosis, and provides more professional education
6 programs than any other multiple sclerosis organization in the
7 world; and

8 WHEREAS, The society is the largest private supporter of
9 multiple sclerosis research in the world, and for more than 55 years
10 it has funded innovative research and advocated for government
11 support of important scientific inquiries; and

12 WHEREAS, Throughout the years, the Multiple Sclerosis
13 Society has been committed to heightening public knowledge and
14 insight, and is currently planning several major statewide
15 educational programs to raise awareness about the effects of
16 multiple sclerosis; now, therefore, be it

Ken Cooley, Chair
ACR 27 (McCarty) – As Introduced February 21, 2017

SUBJECT: Multiple Sclerosis Awareness Week

SUMMARY: Declares the week of March 5, 2017, through March 11, 2017, as Multiple Sclerosis Awareness Week. Specifically, **this resolution** makes the following legislative findings:

- 1) The week of March 5, 2017, through March 11, 2017, has been declared Multiple Sclerosis Awareness Week in recognition of the importance of finding the cause of and a cure for multiple sclerosis and to express appreciation to the National Multiple Sclerosis Society.
- 2) Multiple sclerosis is a neurological disease of the central nervous system that affects an estimated 400,000 Americans across the country, and nearly 200 new cases are diagnosed each week nationwide. More than 40,000 people in California are affected by this devastating disease.
- 3) Twice as many women as men have multiple sclerosis and most are diagnosed between 20 and 50 years of age. While studies indicated genetic factors make certain individuals more susceptible than others, there is no evidence that multiple sclerosis is directly inherited.
- 4) The National Multiple Sclerosis Society, founded in 1946, funds more research, offers more services for people with multiple sclerosis, and provides more professional education programs than any other multiple sclerosis organization in the world.
- 5) Throughout the years, the Multiple Sclerosis Society has been committed to heightening public knowledge and insight, and is currently planning several major statewide educational programs to raise awareness about the effects of multiple sclerosis.

The National Multiple Sclerosis Society is pleased to sponsor resolution, ACR 27 that declares March 5-11, 2017 as Multiple Sclerosis Awareness Week. MS Awareness Week will raise awareness of this debilitating disease throughout California and help educate all residents about the challenges and needs of people living with MS.

Multiple sclerosis is a chronic and often disabling disease of the central nervous system that typically is diagnosed in young adulthood. MS is a puzzling and unpredictable disease that varies widely in its impact, not only from person to person, but also in the same individual at different times. Symptoms range from numbness and tingling to blindness and paralysis. Although the progress, severity and specific symptoms of MS in any one person cannot yet be predicted, advances in research and treatment are moving closer to a world free of MS. Most people with MS are diagnosed in the prime of their lives, between the ages of 20 and 50. More than twice as many women as men are diagnosed with the disease. MS affects more than 40,000 people in California, 400,000 in the U.S. and 2.5 million worldwide.

MS stops people from moving. The goal of the National MS Society is to make sure it doesn't in California. ACR 27 will enhance knowledge throughout the state about the important issues impacting people living with MS and give a voice to all of those affected by this disease.

On behalf of all of those individuals living with multiple sclerosis, we urge your support of ACR 27.

Respectfully,

Stewart Ferry
Director of Public Policy

Senate Concurrent Resolution No. 23—Relative to California Wildlife Day.

LEGISLATIVE COUNSEL’S DIGEST

SCR 23, as introduced, Monning. California Wildlife Day.

This measure would proclaim the Spring Equinox of every year as California Wildlife Day.

Fiscal committee: no.

- 1 WHEREAS, California is a leader in environmental conservation
2 and is enriched with a diverse and unique range of ecosystems and
3 wildlife; and
4 WHEREAS, Nature and wilderness have the ability to inspire
5 and teach us and contribute to the foundation of our culture, our
6 society, and our economy, as well as provide for our physical,
7 mental, emotional, and spiritual well-being; and
8 WHEREAS, Millions of Californians are deeply grateful to live
9 in this state because of the flora and fauna and the wonderful
10 opportunities it offers to experience and learn about nature; and
11 WHEREAS, Numerous state and nonprofit organizations
12 encourage public awareness and participation in wildlife and habitat
13 conservation, restoration, and preservation efforts; and

1 WHEREAS, Nature and wilderness are being threatened by air,
2 water, and soil pollution, exploitation and development, and
3 increasing numbers of species are becoming endangered and
4 extinct; and

5 WHEREAS, Many statewide student nature programs deserve
6 a day to recognize wildlife in their studies and achievements; and

7 WHEREAS, An opportunity to promote nature and its benefits
8 for underprivileged urban and suburban youth is needed; and

9 WHEREAS, In 2005, National Wildlife Day was established to
10 carry forward the memory of conservationist Steve Irwin and serves
11 to bring awareness to the number of nationally and globally
12 endangered animals that need to be preserved, as well as to
13 acknowledge animal sanctuaries and organizations and to educate
14 the public about conservation; and

15 WHEREAS, On December 20, 2013, the United Nations
16 declared March 3 as United Nations World Wildlife Day to
17 celebrate and raise awareness of the world’s wild animals and
18 plants; and

19 WHEREAS, The United Nations selected March 3 as United
20 Nations World Wildlife Day because it was on this day that the
21 Convention of International Trade in Endangered Species of Wild
22 Fauna and Flora was signed— a multilateral treaty to protect
23 endangered plants and animals; and
