Assembly Concurrent Resolution

No. 160

Introduced by Assembly Member Gloria

February 5, 2020

Assembly Concurrent Resolution No. 160—Relative to Lymphedema Awareness Day.

LEGISLATIVE COUNSEL’S DIGEST

ACR 160, as introduced, Gloria. Lymphedema Awareness Day.

This measure would declare March 6, 2020, as Lymphedema Awareness Day in California.

Fiscal committee: no.

- 1 WHEREAS, Lymphedema (LE) is a serious chronic disease
2 that plagues nearly 10 million Americans who are either born with
3 the condition or who develop it as a result of trauma, surgical
4 insult, radiation therapy, or a combination of these factors; and
5 WHEREAS, LE is a disease that occurs when the body’s natural
6 lymphatic drainage system is damaged or blocked or does not
7 develop properly and the lymphatic fluid within a given area, such
8 as the arm, leg, torso, head, or neck, is unable to drain properly.
9 This results in extreme swelling that can cause pain and
10 significantly impairs mobility, function, and the quality of life for
11 the affected person; and
12 WHEREAS, The National Cancer Institute predicted a
13 42-percent increase in cancer survivors 65 years of age or older
14 by 2020, and as many as 1.5 to 3 million Medicare beneficiaries
15 who are cancer survivors will require treatment for their LE; and

1 WHEREAS, Worldwide, the World Health Organization
2 estimates that over 150 million people have secondary LE and an
3 additional 120 million people are infected with lymphatic filariasis,
4 which leads to lymphedema; and
5 WHEREAS, Underdiagnosing and undertreating LE patients
6 cost health care providers and health care coverage policies or
7 plans, including the federal Medicare Program, untold millions of
8 dollars every year because, if LE is left untreated, the potential for
9 infection is greatly increased, possibly spreading in the course of
10 a few hours, and requiring immediate treatment on an emergency
11 basis; and
12 WHEREAS, Several thousand Californians will be put at risk
13 or will develop LE each year as a consequence of cancer treatment,
14 surgical insult, or physical trauma; and
15 WHEREAS, Without professional treatment and self-care, the
16 accumulation of lymphatic fluid results in the gross distention of
17 the lymph-filled body part and chronic infections that can become
18 life-threatening without prompt treatment; and
19 WHEREAS, LE often leaves its victims disfigured, as well as
20 physically and emotionally disabled; and
21 WHEREAS, Many LE patients are breast cancer survivors who
22 have undergone surgery or lymph node removal, often in
23 combination with subsequent radiation therapy. However, similar
24 treatments for colon cancer, melanoma, and uterine, ovarian, and
25 cervical cancer can also cause LE; and
26 WHEREAS, Persons at risk for LE must apply a regimen of
27 self-care to prevent or delay the onset of symptoms that is nearly
28 as rigorous as self-care requirements for patients already afflicted
29 with LE; and
30 WHEREAS, Timely diagnosis and treatment are often not
31 available to patients, particularly those in rural areas, making LE
32 more difficult to manage with more negative health consequences
33 due to delays in diagnosing and treating the condition; and
34 WHEREAS, It is important to recognize the tireless advocates
35 and health care providers who spend so much of their time and
36 resources battling this painful and destructive condition that affects
37 so many members of the community; and
38 WHEREAS, World Lymphedema Day is recognized on March
39 6 of each year; now, therefore, be it

1 *Resolved by the Assembly of the State of California, the Senate*
2 *thereof concurring,* That the Legislature declares March 6, 2020,
3 as Lymphedema Awareness Day in California; and be it further
4 *Resolved,* That the Chief Clerk of the Assembly transmit copies
5 of this resolution to the author for appropriate distribution.

O

Date of Hearing: March 2, 2020

ASSEMBLY COMMITTEE ON RULES
Ken Cooley, Chair
ACR 160 (Gloria) – As Introduced February 5, 2020

SUBJECT: Lymphedema Awareness Day.

SUMMARY: Declares March 6, 2020, as Lymphedema Awareness Day in California. Specifically, **this resolution** makes the following legislative findings:

- 1) Lymphedema (LE) is a serious chronic disease that plagues nearly 10 million Americans who are either born with the condition or who develop it as a result of trauma, surgical insult, radiation therapy, or a combination of these factors.
- 2) LE is a disease that occurs when the body's natural lymphatic drainage system is damaged or blocked or does not develop properly and the lymphatic fluid within a given area, such as the arm, leg, torso, head, or neck, is unable to drain properly. This results in extreme swelling that can cause pain and significantly impairs mobility, function, and the quality of life for the affected person.
- 3) Worldwide, the World Health Organization estimates that over 150 million people have secondary LE and an additional 120 million people are infected with lymphatic filariasis, which leads to lymphedema.
- 4) Underdiagnosing and undertreating LE patients cost health care providers and health care coverage policies or plans, including the federal Medicare Program, untold millions of dollars every year because, if LE is left untreated, the potential for infection is greatly increased, possibly spreading in the course of a few hours, and requiring immediate treatment on an emergency basis.
- 5) Several thousand Californians will be put at risk or will develop LE each year as a consequence of cancer treatment, surgical insult, or physical trauma.
- 6) Timely diagnosis and treatment are often not available to patients, particularly those in rural areas, making LE more difficult to manage with more negative health consequences due to delays in diagnosing and treating the condition.
- 7) It is important to recognize the tireless advocates and health care providers who spend so much of their time and resources battling this painful and destructive condition that affects so many members of the community.

Assembly Concurrent Resolution

No. 177

Introduced by Assembly Member Grayson

February 24, 2020

Assembly Concurrent Resolution No. 177—Relative to Family Justice Centers.

LEGISLATIVE COUNSEL’S DIGEST

ACR 177, as introduced, Grayson. Family Justice Centers.

This measure would declare March 5, 2020, as Family Justice Center Day in California and would recognize the lifesaving and hope-giving work of the California Family Justice Center Network and its member Family Justice Centers as they work with rape crisis centers, domestic violence shelters, human trafficking agencies, prosecutors’ offices, law enforcement agencies, and other professionals and community-based organizations to ensure that adult and child survivors of trauma can access all of their services in one setting.

Fiscal committee: no.

- 1 WHEREAS, In the United States, one in three women and one
2 in six men have experienced some form of contact sexual violence
3 in their lifetime; and
4 WHEREAS, California had more than 166,000 reported
5 domestic violence cases in 2018; and
6 WHEREAS, The National Human Trafficking Hotline received
7 more calls in 2018 from California than any other state in the
8 United States; and
9 WHEREAS, Victimization and perpetration of sexual and
10 domestic violence often connects to unmitigated childhood trauma

1 and adult polyvictimization, numerous types of victimization over
2 a lifetime, and produces short- and long-term physical and mental
3 health consequences; and

4 WHEREAS, The first Family Justice Center (FJC) was created
5 in San Diego, California, in 2002, by San Diego City Attorney
6 Casey Gwinn and the first FJC Director in the country, Gael Strack;
7 and

8 WHEREAS, California is now leading the way toward
9 multisector, collaborative approaches to serving domestic and
10 sexual violence survivors and their children with the creation of
11 23 open and operating FJCs and 10 more FJCs in some stage of
12 development; and

13 WHEREAS, FJCs in California bring together police officers,
14 prosecutors, advocates, doctors, nurses, mental health professionals,
15 chaplains, and other professionals under one roof and provide
16 trauma-informed, coordinated, wraparound services to more than
17 65,000 adult and child trauma survivors each year; and

18 WHEREAS, FJCs are now represented by the California Family
19 Justice Center Network (CFJCN), the membership organization
20 for FJCs that seeks to provide training, statewide coordination of
21 services for transient victims, promotion of promising and best
22 practices, advocacy for survivor services and support, and the
23 gathering of deidentified, aggregate data for research and evaluation
24 purposes; and

25 WHEREAS, The purpose of the CFJCN is to advocate for the
26 victims of domestic violence, sexual assault, human trafficking,
27 elder abuse, and child abuse in the State of California, and to
28 actively work toward the prevention of those crimes, while
29 supporting the implementation of the provisions and intent of
30 Section 13750 of the Penal Code, which defines Family Justice
31 Centers. This provision seeks to ensure “that victims of abuse are
32 able to access all needed services in one location in order to
33 enhance victim safety, increase offender accountability, and
34 improve access to services for victims;” now, therefore, be it

35 *Resolved by the Assembly of the State of California, the Senate*
36 *thereof concurring*, That the Legislature declares March 5, 2020,
37 as Family Justice Center Day in California and recognizes the
38 lifesaving and hope-giving work of the CFJCN and its member
39 centers as they work with rape crisis centers, domestic violence
40 shelters, human trafficking agencies, prosecutor’s offices, law

1 enforcement agencies, and other professionals and
2 community-based organizations to ensure that adult and child
3 survivors of trauma can access all of their services in one setting;
4 and be it further
5 *Resolved*, That the Chief Clerk of the Assembly transmit copies
6 of this resolution to the author for appropriate distribution.
