House Resolution No. 107—Relative to National Gun Violence Awareness Day.

1 WHEREAS, Every day, more than 110 Americans are killed
2 by gun violence, alongside more than 200 who are shot and
3 wounded, and on average there are nearly 16,000 gun homicides
4 every year; and

5 WHEREAS, Americans are 26 times more likely to die by gun
6 homicide than people in other high-income countries; and

7 WHEREAS, California has 3,160 gun deaths every year, with
8 a rate of 7.8 deaths per 100,000 people. California has the 45th
9 highest rate of gun deaths in the United States; and

10 WHEREAS, Protecting public safety in the communities they
11 serve is among a legislator’s highest responsibilities; and

12 WHEREAS, Support for the Second Amendment rights of
13 law-abiding citizens goes hand-in-hand with keeping guns away
14 from people that shouldn’t have them; and

15 WHEREAS, Gun violence prevention is more important than
16 ever as the COVID-19 pandemic continues to exacerbate gun
17 violence after more than two years of increased gun sales, increased
18 calls to suicide and domestic violence hotlines, and an increase in
19 city gun violence; and

20 WHEREAS, In January 2013, Hadiya Pendleton was tragically
21 shot and killed at 15 years of age; and on June 3, 2022, to recognize
22 the 25th birthday of Hadiya Pendleton (born: June 2, 1997), people
23 across the United States will recognize National Gun Violence

1 Awareness Day and wear orange in tribute to Hadiya Pendleton,
2 other victims of gun violence, and the loved ones of those victims;
3 and

4 WHEREAS, The idea was inspired by a group of Hadiya’s
5 friends, who asked their classmates to commemorate her life by
6 wearing orange; they chose this color because hunters wear orange
7 to announce themselves to other hunters when out in the woods
8 and orange is a color that symbolizes the value of human life; and

9 WHEREAS, Anyone can join this campaign by pledging to
10 wear orange on June 3rd, the first Friday in June in 2022, to help
11 raise awareness about gun violence; and

12 WHEREAS, By wearing orange on June 3, 2022, Americans
13 will raise awareness about gun violence and honor the lives of gun
14 violence victims and survivors; and

15 WHEREAS, We renew our commitment to reduce gun violence

19 *Resolved by the Assembly of the State of California*, That the
20 Assembly declares the first Friday in June, June 3, 2022, to be
21 National Gun Violence Awareness Day. We encourage all citizens
22 to support their communities’ efforts to prevent the tragic effects
23 of gun violence and to honor and value human lives; and be it

May 26, 2022

House Resolution No. 112—Relative to Period Poverty Awareness Week.

- 1 WHEREAS, Approximately one-half of the population will
2 have a period every month for decades of their lives despite
3 whether they want to or not; and
4 WHEREAS, Period supplies are a necessary product, each
5 month, for millions of people across the country; and
6 WHEREAS, National surveys and research studies report that
7 one in four women, girls, and menstruators struggle to secure
8 enough period supplies to meet their needs each month due to a
9 lack of income; and
10 WHEREAS, This lack of period supplies, known as period
11 poverty, can adversely affect the health and well-being of
12 menstruators; and
13 WHEREAS, National surveys also report that one in five
14 women, girls, and menstruators miss work or school due to a lack
15 of sufficient period supplies; and
16 WHEREAS, Period poverty exacerbates the vicious cycle of
17 poverty by forcing menstruators to withdraw from daily life, losing
18 pay or missing educational opportunities; and
19 WHEREAS, Menstruators struggling with period poverty risk
20 infections by using proxy products, such as socks or toilet paper,
21 or not changing products as often as needed; and
22 WHEREAS, The people of California recognize that period
23 poverty is a public health issue, and addressing period poverty can

1 lead to economic opportunity for the state’s people and
2 communities and improved health for women, girls, and
3 menstruators, thus ensuring all people have access to the basic
4 necessities required to thrive and reach their full potential; and

5 WHEREAS, The COVID-19 pandemic further exacerbated the
6 limited access to menstrual health resources for women, girls, and
7 menstruators, with over 8 percent of females 13 to 24 years of age
8 reporting a lack of access to menstrual products; and

9 WHEREAS, The California State Legislature passed several
10 important measures to reduce period poverty, including Assembly
11 Bill 10 in 2017 and Assembly Bill 367 in 2021, both authored by
12 Assembly Member Cristina Garcia (D-Bell Gardens), which make
13 menstrual products available at all public schools serving grades
14 6 to 12 and all of California’s public colleges and universities; and

15 WHEREAS, The Budget Act of 2019 funded the temporary
16 repeal of the period product tax, ensuring that people in California
17 no longer have to pay sales tax on menstrual hygiene products and
18 in the Budget Act of 2021, this tax repeal was made permanent;
19 and

20 WHEREAS, The Budget Act of 2021 funded a \$2,000,000
21 appropriation to support free menstrual product distributions as a
22 pilot in the County of Los Angeles and County of San Diego; and

23 WHEREAS, Under the leadership of Senate President pro
24 Tempore Atkins, the Legislature began providing for the free
25 provision of menstrual products in State Capitol Building
26 bathrooms; and

27 WHEREAS, While California is proud to be home to some of
28 the most impactful laws and policies to prevent period poverty, it
29 is recognized that further action is needed to address this
30 long-neglected problem; and

31 WHEREAS, Menstrual products in California’s juvenile hall,
32 jail, and prison institutions are poor in quality and severely
33 rationed, resulting in significant harm to youth and adults who
34 reside there and diversion of significant resources from when they
35 are able to help address their loved ones need of menstrual
36 products; and,

37 WHEREAS, While experiencing severe increases in demand
38 for period products due to the pandemic and supply chain issues,
39 community organizations serving people suffering from period
40 poverty continue to move mountains to increase period product

1 distributions and support those in need of immediate assistance.
2 California could do more to support them and to make menstrual
3 products more widely available in libraries, public buildings, parks,
