4 Cabrillo explored the California coast, and is credited with
5 numerous coastal discoveries; and

6 WHEREAS, The first Portuguese settlers came to California
7 from the Azores Islands in the early 19th century. The largest wave
8 of Azorean immigrants moved to California just before and after
9 the turn of the 20th century. Each wave contributed substantially
10 to setting up agricultural operations, especially dairy, vegetable,
11 and fruit farms; and

12 WHEREAS, Throughout most of the 20th century, as many as
13 one-half of all Portuguese Californians owned or operated a dairy
14 farm, worked on a dairy farm, or worked in a dairy-related industry.
15 Applying the Portuguese belief in hard work and thriftiness, along

1 with additional labor from family members, Portuguese settlers
2 could earn enough to reinvest in their businesses, and buy more
3 land and cattle; and

4 WHEREAS, Historically, California has been a popular
5 destination for immigrants from the Azores Islands, creating strong
6 cultural ties between the two regions; currently there are more than
7 381,000 persons of Portuguese heritage living in California,
8 approximately 90 percent of whom have either come directly from
9 the Azores Islands or are of Azorean parentage; and

10 WHEREAS, In 1979, the Center for Portuguese Studies at the
11 University of California, Santa Barbara, was founded for the
12 purpose of promoting and developing Portuguese studies in
13 California and in the United States; and

14 WHEREAS, In 1994, the University of California, Berkeley,
15 established the Portuguese Studies Program. Included among the
16 many goals of the program is the goal “to spotlight the crucial and
17 complex but often overlooked experience and contributions of the
18 Portuguese-American community”; and

19 WHEREAS, In 1999, the Center for Portuguese Studies at the
20 California State University, Stanislaus, was established to promote
21 the study of the Portuguese-speaking world’s language, history,
22 culture, and influence. The center works to enrich the connections
23 among the local Portuguese community and its cultural and
24 linguistic heritage and to forge new connections between countries
25 of the Portuguese-speaking world and California’s central valley;
26 and

27 WHEREAS, Californians of Portuguese ancestry came together
28 in 2016 to create the California Portuguese-American Coalition
29 (CPAC) sponsored by the Luso-American Development Foundation
30 (FLAD) to create a network of public servants of Portuguese
31 ancestry and elected officials who represent areas where
32 Californians of Portuguese ancestry live and contribute to our
33 rich diversity and to encourage young Portuguese-Americans to
34 participate in our democracy through public service; and

35 WHEREAS, In March of 2018 Californians of Portuguese
36 ancestry created the only strategic plan in the United States to
37 teach the Portuguese language and cultures in California public
38 and private schools, colleges, and universities in order to
39 contribute to the rich linguistic and cultural diversity of our state
40 and foster a deeper connection and increase economic

1 *opportunities between California and all the Portuguese-speaking*
2 *countries throughout the world; and*

3 WHEREAS, Among the great Portuguese Americans who have
4 contributed significantly to this country are: composer John Philip

7 of Liberty, “The New Colossus”; architect William L. Pereira, best
8 known for designing the Transamerica Pyramid in San Francisco;
9 and singer and actress Carmen Miranda. Many Portuguese
10 Americans have also served with distinction in local, state, and
11 federal office, and have served proudly in this country’s military;
12 and

13 WHEREAS, Portuguese Americans have made valuable and
14 substantial contributions to every facet of California life including
15 the entertainment industry, the most notable of whom are Mary
16 Astor, Tom Hanks, Joe Perry, and James Franco; and

17 WHEREAS, Portuguese Americans continue to thrive in
18 agricultural communities of the San Joaquin Valley, including
19 Hanford and Lemoore in Kings County and Shafter, Wasco, and
20 Bakersfield in Kern County; they have contributed greatly to
21 making market milk the leading agricultural product by value in
22 both the Counties of Kings and Kern; and

23 WHEREAS, *Portuguese Americans continue to strive in*

Senate Concurrent Resolution No. 52—Relative to Motorcycle Awareness Month.

LEGISLATIVE COUNSEL’S DIGEST

SCR 52, as introduced, Jones. Motorcycle Awareness Month.

This measure designates the month of May 2019 as Motorcycle Awareness Month in California.

Fiscal committee: no.

1 WHEREAS, Motorcycle riding is a popular form of efficient
2 transportation and recreation for more than 1,500,000 Californians.
3 Motorcycles account for less than 5 percent of registered vehicles
4 in the United States, and they travel approximately 21,000,000
5 miles each year. Motorcycles provide a means of transportation
6 that uses fewer resources, causes less wear and tear on public
7 roadways, and increases available parking areas; and
8 WHEREAS, Through the California Motorcyclist Safety
9 Program (CMSP) and its provider, Total Control Training, the
10 state has trained almost 58,000 riders in 2016, 53,000 riders in
11 2017, and 55,000 riders in 2018. The administration of the CMSP
12 by the Department of the California Highway Patrol since 1987,
13 along with the assistance of the California Office of Traffic Safety,
14 through education, and the Department of Transportation’s message
15 boards, has safely trained 1,200,000 Californians. These efforts
16 led to a 92.4 percent reversal of the trend of increasing motorcycle
17 fatalities. From 2009 to 2014, motorcycle fatalities in California
18 increased 7.9 percent per year. In contrast, from 2014 to 2017,

1 motorcycle fatalities in California increased only 0.6 percent per
2 year. At the same time, total traffic fatalities in California increased
3 by 4.6 percent per year, and nationwide, motorcycle fatalities
4 increased by an average of 4.7 percent per year. California leads
5 the way in training and safety for motorcyclists, and we are saving
6 lives; and

7 WHEREAS, It is important that drivers of all vehicles be aware
8 of one another, learn to share the road, and practice courtesy,
9 especially when motorcyclists are legally lane splitting; and

10 WHEREAS, The California Motorcyclist Safety Program,
11 American Brotherhood Aimed Towards Education (ABATE) of
12 California, American Motorcyclist Association, National
13 Association of Buffalo Soldiers and Troopers Motorcycle Club,
14 Bay Area Riders Forum, Modified Motorcycle Association, and
15 the California Motorcycle Dealers Association are organizations
16 that actively promote the safe operation of motorcycles, advocate
17 for more rider training courses through CMSP and its provider,
18 Total Control Training, and advocate increasing motorist
19 recognition of motorcycles; now, therefore, be it

20 *Resolved by the Senate of the State of California, the Assembly*
